

FIG. 1

**Influence of Storage on the Dissolution of Mg from Magnesium Oxide
Tablets Manufactured by Genesis Products, Inc.
(Lot 312103, Exp. Date May 2006)**

FIG. 2

**Influence of Storage on the Dissolution of Mg from Magnesium Oxide
Tablets Manufactured by Cypress Pharmaceutical, Inc.
(Lot 16740, Exp. Date June 2005)**

FIG. 3

**Influence of Storage on the Dissolution of Mg from Magnesium Oxide
Tablets Manufactured by Leiner Health Products.
(Lot 3KA0031, Exp. Date August 2006)**

FIG. 4

**Influence of Packaging and Storage on the Dissolution of
Mg from Magnesium Oxide**

FIG. 5

FIG. 6

FIG. 7

**Influence of Temperature and Relative Humidity on the Dissolution of
Magnesium Oxide Tablets Prepared by Direct Compression
Lot 2003-018-47**

FIG. 8

**Influence of Temperature and Relative Humidity on the Dissolution of
Magnesium Oxide Tablets Prepared by Direct Compression
Lot 2003-018-48**

FIG. 9

**Influence of Temperature and Relative Humidity on the Dissolution of
Magnesium Oxide Tablets Prepared by Direct Compression
Lot 2003-018-49**

FIG. 10

**Influence of Temperature and Relative Humidity on the Dissolution of
Magnesium Oxide Tablets Prepared by Direct Compression
Lot 2003-018-45**

FIG. 11

**Influence of Temperature and Relative Humidity on the Dissolution of
Magnesium Oxide Tablets Prepared by Dry Granulation
Lot 2003-018-58**
